Dear Representative Evers:

We commend you on your willingness to run for and serve in public office, and because of that, the Florida Professional Firefighters wish to endorse and support your campaign for election to the Florida Senate, District 2.

The enclosed contribution to your campaign is based upon the requests from our 8<sup>th</sup> District Vice President, Shayne Stewart, and Mr. Randy Touchton, FPF Governmental Relations Director. Currently, 800 Firefighters and Emergency Medical Services Personnel, who belong to our organization, live and work in DVP Stewart's district. Please refer to the enclosed contact information regarding DVP Stewart's address, phone numbers, etc. Statewide, we represent 24,000 Firefighters and Emergency Medical Services Personnel in 175 cities, counties, and special districts, and are happy to assist your efforts.

This letter will also serve as written authorization for you to utilize our endorsement in any manner you see fit, i.e., radio, TV, newspaper, signs, brochures, etc.

We believe that you will honorably serve the citizens of Florida, and the interests of the men and women employed in the Fire and Emergency Medical Services, who have made the protection of life and property their life's work.

We wish you every success and look forward to working with you in the future.

Yours truly,
